Thanks. I talked with Jeff about this yesterday. He is feeling overwhelmed and is ready to start peeling some things off to us – with this first on the list. I am OK with that. There is a big set of site-visits/meetings coming up end of January. Jeff will be with Jared at some point this week and is going to raise the idea of transitioning this one to us sooner than later.

Meant to cc you. Jared quickly replied that he will review this, but has not yet sent any feedback. I'm on my way home and will follow up tomorrow morning, once I hear from him.
